

DacorMatch™ Color System

Introducing the DacorMatch™ Color System

Select From Our Designer Colors or Choose Your Own Custom Color

What comes after Stainless Steel ~ Color!

With the DacorMatch Color System, make your kitchen appliances fit the vision of your entire home design.

A splash of color
or
a bold statement,
you decide.

Dacor provides flexibility by allowing you to choose ~ the product, the color, the visual impact. Be free from a sea of stainless - feel even more at home in the kitchen, surrounded by your own touch of color.
